Final Manuscript Uploading

- Current status 1: accepted and have uploaded final manuscript, but want to make some modifications.
 - you can directly click the "Final Version Upload" button, and the system will automatically overwrite the previous version.
- Current status 2: accepted but have not uploaded final manuscript

Before you upload: Since each person's operation may vary slightly, leading to potential differences in the overall process, we have summarized several key points during the upload process and provided an example for reference.

- Use the general registration code: **GBC2024**;
- Complete the **copyright form** as required;
- Upload the **final manuscript file** correctly.
